REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Shareholders
of Saturn Capital, Inc.

We have reviewed management's statements, included in the accompanying Exemption Report, in which (1) Saturn Capital, Inc. identified the following provisions of 17 C.F.R. §15c3-3(k) under which Saturn Capital, Inc. claimed an exemption from 17 C.F.R. §240.15c3-3(k)(2) (the "exemption provisions") and (2) Saturn Capital, Inc. stated that Saturn Capital, Inc. met the identified exemption provisions throughout the most recent fiscal year without exception. Saturn Capital's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Saturn Capital's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2) of Rule 15c3-3 under the Securities Exchange Act of 1934.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Shareholders
of Saturn Capital, Inc.

We have audited the accompanying statement of financial condition of Saturn Capital, Inc. (a Massachusetts corporation) as of December 31, 2016, and the related statements of operations, changes in shareholder's equity, and cash flows for the year then ended. These financial statements are the responsibility of Saturn Capital's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial condition of Saturn Capital, Inc. as of December 31, 2016, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The information contained in Schedule I – Computation of Net Capital Under Rule 15c3-1 has been subjected to audit procedures performed in conjunction with the audit of Saturn Capital's financial statements. The supplemental information is the responsibility of Saturn Capital's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with 17 C.F.R. §240.17a-5. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

SATURN CAPITAL, INC.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2016

(1) ORGANIZATION AND DESCRIPTION OF BUSINESS

Saturn Capital, Inc. (the Company) was incorporated in the Commonwealth of Massachusetts on May 2, 1984. Its primary business activities are the sale of direct participation programs, private placement offerings and acting as a selling group participant for initial public offerings throughout the United States of America. On January 1, 1999 the Company became a wholly-owned subsidiary of Saturn Asset Management, Inc. (SAMI). On June 7, 2000 Saturn Asset Management, Inc. became a wholly-owned subsidiary of Saturn Asset Management Trust (SAMT).

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Cash Equivalents

The Company considers all highly liquid investments with an original maturity of three months or less to be cash equivalents. Investments that have a maturity date greater than three months but less than one year are considered short-term investments.

(b) Credit Risk

Financial instruments that potentially subject the Company to concentration of credit risk consist primarily of temporary cash investments. The Company has placed its temporary cash investments with a highly rated financial institution. On occasion, the balances in those accounts may exceed the FDIC insured limit. For the year ended December 31, 2016, the Company's deposits with this institution did not exceed the FDIC insured limit of \$250,000 per bank.

(c) Estimates and Assumptions

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that may affect the reported amounts of assets, liabilities, revenues, and expenses. Actual results could differ from those estimates.

(d) Commissions

The Company earns commissions for private placement services. Commissions are recorded upon the closing of a round of financing.

(e) Accounts Receivable

The Company uses the reserve for bad debt method of valuing doubtful accounts receivable which is based on historical experience, coupled with a review of the current status of existing receivables. Management provides for probable uncollectible amounts through a charge to earnings and a credit to allowance for doubtful accounts based on its assessment of the current status of individual accounts. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the allowance for doubtful accounts and a credit to trade receivables. Changes in the allowance for doubtful accounts have not been material to the financial statements.

SATURN CAPITAL, INC.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2016

(Continued)

(3) INCOME TAXES

The Company is a member of a consolidated group for federal and state income tax purposes. The Company has elected under a provision of the Internal Revenue Code not to be taxed as a corporation. In accordance with this election as an "S" corporation, the taxable income or loss of the Company is reported in the federal income tax return of its shareholder.

The Company files income taxes as part of a consolidated group. Its share of state income taxes for 2016 was estimated to be \$588. The Company income tax returns are subject to examination by the appropriate tax jurisdictions. As of December 31, 2016, the Company's federal and state income tax returns generally remain open for the last three years.

(4) NET CAPITAL REQUIREMENTS

The Company is subject to Rule 15c3-1 under the Securities and Exchange Act of 1934 (the Exchange Act) that requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At December 31, 2016, the Company had net capital of \$181,729 that was \$131,729 in excess of its required net capital of \$50,000. The Company's aggregate indebtedness to net capital ratio was .02719 to 1.

As the Company does not carry customer accounts and any customer transactions are cleared through another broker-dealer on a fully disclosed basis, the Company is exempt from the provision of Rule 15c3-3 of the Exchange Act. In the opinion of management, the Company complied with the exemptive provisions of Rule 15c3-3 for the year ended December 31, 2016.

(5) RELATED PARTY TRANSACTIONS

The Company acts as a broker dealer for Saturn Management, LLC (SMLLC), an affiliated Company. The Company is assessed a management fee by SMLLC for allocation of professional time, office space and other general and administrative expenses. For the year ended December 31, 2016, Saturn Capital, Inc. incurred a management fee of \$291,450.

(6) SUBSEQUENT EVENTS

The Company evaluated subsequent events through February 20, 2017, which is the date the financial statements were available to be issued and has determined that there were no subsequent events requiring recognition or disclosure in the financial statements.
